ASSIGNMENT

IN CONSIDERATION of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, **Ecomm, Inc.**, of the Cayman Islands (a.k.a. E-Comm, Ltd.), its successors, assigns and legal representatives (hereinafter collectively **Ecomm**), intending to be legally bound:

HEREBY sells, assigns and transfers to Industrial Technology Research Institute (hereinafter **ITRI**), of Chutung, Hsinchu, Taiwan, R.O.C., the entire right, title and interest in and to those inventions identified in those United States patent applications and patents, which are identified in Schedule A attached to this ASSIGNMENT; in and to those applications and patents; in and to all divisional, continuation, substitute, renewal, reissue, and all other corresponding applications for Patent which have been or shall be filed in the United States and all other foreign countries; in and to the improvements of those inventions; in and to the right to claim in any countries the right of priority from those applications and patents under international law or under the laws of any particular country (such as, without limitation, the right of priority provided by the International Convention for the Protection of Industrial Property, as amended); and in and to all original and reissued patents which have been or shall be issued in the United States and all other foreign countries on those improvements;

COVENANTS with **ITRI** that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed have been made to others by **Ecomm**, and that full right to convey the same as herein expressed is possessed by **Ecomm**;

COVENANTS AND AGREES to assist and cooperate with **ITRI** in the preparation and prosecution of any applications of those inventions and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any applications or Patent of those inventions and further to execute and deliver to **ITRI** any and all additional papers that may be requested by **ITRI** for the purpose of implementing the terms of this ASSIGNMENT;

AUTHORIZES AND REQUESTS that any and all patents for those inventions be issued to **ITRI** in the United States and in all other foreign countries, or to such nominees as **ITRI** may designate, as the Assignee of **ITRI**'s entire right, title, and interest; and

CONSENTS that a copy of this ASSIGNMENT shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and more particularly in proof of the right of ITRI to apply for patent or other form of protection for those inventions and to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended.
